Board Positions held:

Director of Volunteer Services – less than 1 year

Reason for Running:

I enjoy helping in the community in which my kids live and love. RYA has become our family over the years and we love it. We understand that is a community of volunteers and unless parents step up and run RYA we would NOT have an org. I have been scheduling the gym space under the Basketball commish the last 2 years. I am not only ready but also prepared to do it again this year.
